

**CALIFORNIA POLYTECHNIC STATE UNIVERSITY
CITY AND REGIONAL PLANNING DEPARTMENT**

**Master of City and Regional Planning (MCRP)
Application for Department Financial Assistance
2004 - 2005 Academic Year**

INSTRUCTIONS: This form is for all types of department based aid. Sources of aid outside the department usually require a separate application from the appropriate office. Students applying for aid on the basis of academic achievement should complete the information in the section headed Academic Credentials. Students applying on the basis of need also should complete the Financial Information section **and** apply for Cal Poly financial assistance through the Financial Aid Office by March 1, 2004. See their website for information or call (805)-756-2927.

All applicants should have submitted a statement detailing their study interests and career goals as part of the application to the master's program.

To be considered for aid, a student's admission application file must be complete. Most aid is distributed for students entering in the fall quarter, applicants for other quarters will be considered only as funds become available. Applications for admission with financial aid are due earlier than applications for admission alone:

March 1, 2004: deadline for those wishing to be considered for departmental assistantships. Preference is given to those with admissions applications completed by March 1.

July 1, 2004 is the final deadline date for all fall quarter student admissions, except for international students whose deadline is April 1, 2004.

Financial aid awards review will begin March 1, 2004.

To apply for departmental financial aid, complete the application form on reverse, sign where indicated and mail to:

City and Regional Planning Department
MCRP Financial Aid Committee
Cal Poly State University
San Luis Obispo, CA 93407
